Expectations and Consent

Use of Photographs (required field):

I understand that by enrolling in the CLS summer program, I give Beloit College permission to use any photographs taken of me while I am participating in the program in an appropriate College publication or on the internet for promotional purposes.

Oral Proficiency Interview (required field):

I understand that I will be required to have an oral proficiency interview at the beginning and/or end of the CLS program for the purpose of placement and/or assessment. The Center for Language Studies utilizes both official and unofficial oral proficiency interviews. These interviews will help CLS appropriately place upper-level students and provide insight into the progress that students make as a result of the summer language program. All upper-level language students will have an oral proficiency interview at the beginning of the program, and all students, beginning and upper-level, will have an oral proficiency interview at the end of the program.

Target Language Expectations (required field):

I have read and understand the CLS Language Use Policy. By checking this box I accept its terms. We expect all students to speak their target language during academic hours, which run from 8:30 a.m. to 3:00 p.m. Whether in the classroom, on break, or in the dining hall, students should make every effort to adhere to this policy. immersion experience where the target language is spoken from dawn until dusk. We certainly encourage students to challenge themselves in this way; however, we realize that the ability to do this will vary considerably by level. First- and second-year students should make every effort to keep their use of English to a minimum. Third- and fourth-year students—having a wider vocabulary and greater competency—should speak the target language at all times.
